Tom Thomas (left) and Roy Reabe were inducted into the Wisconsin Aviation Hall of Fame on Saturday evening, November 10, along with Carl Rindlisbacher (posthumously). Paul Collins and Ed Hedeon were inducted in the Pioneer category, for those who were flying before 1927.

Nearly 250 people from 14 states came to honor this year's inductees, including several WAHF members and past inductees. Held at the EAA AirVenture Museum in Oshkosh, the event included a silent auction to benefit the WAHF scholarship fund. For a photo gallery and a complete report, look inside this issue of Forward in Flight.
